M6toll

Terms and conditions

Members must be driving a vehicle towing a caravan or caravan/camping trailer or a motorhome to take advantage of this offer. Members must produce a valid Caravan Club membership card for verification prior to making any payment – failure to do so may result in overpayment which is not refundable. Members can benefit from the discounted toll price when using toll lanes with the Manual Attended Lane sign or Automatic Card Lane sign above the entrance of the toll lane. This offer is only available when paying by sterling cash or credit/debit/fuel card at toll lane level. Any examples of toll prices used in promotion of this M6toll offer are correct at 1 March 2012.

CARAVANNERS AND motorhomers using the M6 Toll would normally have to pay the 'Class 3' or 'Class 4/5' fee. However, Caravan Club members can take advantage of this exclusive offer and pay the discounted price that is equal to the 'Class 2' car fee (see the panel above for examples

of the savings that you can make). This offer is only available to members paying by sterling cash or by credit/debit/fuel card. To claim this discount, you simply need to produce your valid Caravan Club membership card to M6 Toll staff *before* making your payment.

How to gain your discounted toll charge

There are two ways of claiming your discounted toll charge...

1. Use a 'Manual Attended Lane' (as indicated by the sign above) where available. Simply hand your valid Caravan Club membership card to the

toll booth operator *before* you make your payment.

2. Use an 'Automatic Lane' (as indicated by the sign right). You must press the assistance button *before* making payment to claim your discount. Please note that no change is available if you use these lanes.
