Addition to ICFR Offer To Run A Rally Form:

ICFR is now encouraging the use of the Message In A Bottle System for all rallies. This gives details of medical needs and is secured in a green topped plastic pot with a green cross on the side and a sticker on the fridge. *This should easily be found by a medic in case of an emergency.* Kits may be obtained from the Equipment & Sales Officer.

Within ICFR there are a number of large banners saying "CARAVAN WITH FELLOW ROTARIANS", also displaying the Rotary Logo. Any other wording is unacceptable to Rotary International. If you would like to use one of these during your rally, please refer to the Asset Register which will be sent to you, and ask your nearest custodian.
